Re: Jade Farm LLC v. Mirahangiry et al.  
Case No. 1:22 cv 03128  
RE: Adjournment of Trial of March 6, 2024

Dear Judge Garnett,

This letter motion is submitted pursuant to your Part rules updated February 12, 2024. The above referenced matter is currently scheduled for jury trial from March 3, 2024, to March 6, 2024. Unfortunately, March 6, 2024, my mother is now scheduled for a back surgery at HSS. As I do believe that this trial will take three days to complete, I would request either an adjournment of the last day and for trial resume, or an adjournment of the trial. I have informed Mr. Austin of my situation. He has confirmed to me that he does not object to an adjournment of trial. The next available date for trial would be the week of March 25, 2024. No previous request for an adjournment has been made.

Dated: Jericho, New York  
February 20, 2024

The request to adjourn the trial is DENIED. The Court will discuss reasonable accommodations for Plaintiff counsel's potential personal conflict at the final pretrial conference scheduled for Thursday, February 29 at 2:30pm (*see* ECF 169).

SO ORDERED. Date 2/21/2024.

HON. MARGARET M. GARNETT  
UNITED STATES DISTRICT JUDGE
